

Effective January 2025:

Carlisle's education assistance benefits are enhanced and more convenient than ever!

Significant enhancements to our Education Assistance Program (EAP), support our Vision 2030 – Exceptional Talent Pillar.

Carlisle has partnered with EDCOR Data Services to provide a comprehensive web-based solution for managing education expense reimbursement.

EDCOR provides a user-friendly platform that simplifies managing education requests and reimbursements. Employees also can benefit from:

- Personalized advising to maximize tuition benefits and access credit transfers with accredited colleges.
- Textbooks.com access: Over 10 million books, free shipping on orders over \$25, and up to 50% cash back on buyback books.
- Tuition Discounts: Save 5% to 20%+ on tuition and enjoy waived application fees at participating schools.

With EDCOR's web portal, you can easily:

- Apply for education benefits before attending classes
- Obtain manager approval for coursework
- Attend with confidence, knowing you are pre-approved for reimbursement
- Upload grades and payment receipts directly to EDCOR for payment
- Receive prompt reimbursement for qualified expenses
- Track benefit limit and account history
