The Health Care Spending Account Plan is intended to qualify as a health plan under Section 105(e) of the Code. ELIGIBILITY, PARTICIPATION AND COVERAGE

3.1 Eligibility

An Employee who is classified by the Employer as regularly scheduled to work at least 30 hours per week shall become eligible for Plan participation in the benefits identified in Article IV on the later of the Effective Date or the Employee's date of hire.

In addition, an Employee whom the Employer determines is full-time during a measurement period shall also be eligible for Medical Benefits during the associated stability period, as described in Treas. Reg. Section 54.4980H-3. The Group Health and Life Plan of Carlisle Companies Summary Plan Description describes how an Employee becomes eligible during a stability period.

- E. Employees in an employee unit covered by a collective bargaining agreement between Employee representatives and one or more Employers if this Plan's benefits were the subject of good faith bargaining between the Employee representatives and the Employer, unless such agreement provides for coverage for such bargaining employees in the Plan; and
- F. Nonresident aliens who receive no earned income (within the meaning of the Code Section 911(d)(2)) from an Employer that constitutes income from sources within the United States, as defined in Code Section 861(a)(3).

Specific eligibility requirements for certain benefits shall be set forth in Article IV or in the applicable Incorporated Documents.

3.2 Participation

Employees become Plan participants with respect to non-elective Benefits on the date they satisfy the eligibility requirements of Section 3.1. Employees become Plan participants with respect to elective Benefits on the date they also satisfy the enrollment and election requirements of Section 5.4.

3.3 Coverage

A. Date Coverage Begins

The provisions and requirements describing when and how Employees and Dependents become Covered Persons, the conditions and limitations to coverage, and the circumstances wherein coverage terminates shall be set forth as applicable in the Incorporated Documents by reference under Section 4.1. In addition, coverage is governed by the rules stated below and in Section 5.8.

B. Coverage During Leave of Absence

1. Paid Leave

During a paid leave of absence, a Covered Employee continues to participate all benefits.

2. Unpaid Leave

For Plan benefits not requiring Employee contributions, a Covered Employee remains covered for such benefits during an unpaid leave of absence.

Except as otherwise provided below, for Plan benefits requiring an Employee contribution, coverage for a Covered Employee on an approved unpaid leave of absence is suspended on the last date of coverage for which a premium payment benefit has been paid. The terms of the plan to which the participant's selected premium payment benefits were paid control whether and to what extent coverage and benefits under that plan continue. Additionally, the Employer reserves the right, at its sole discretion, to continue coverage by paying the Employee's share of the contribution during the approved unpaid leave of absence, and upon return from the leave the Employee will repay the Employer the Employee's share of the contribution paid by the Employer during the leave.

To the extent the Covered Employee may continue coverage during an unpaid leave, and except as required below, the Covered Employee is required to pay for coverage on an after-tax basis.

If the unpaid leave of absence is taken pursuant to FMLA, Covered Employees may elect to continue participation in premium payment benefits described in Sections 4.4(A), 4.4(B), 4.4(C), 4.4(D), and 4.4(E) by the following methods at Carlisle, LLC's discretion, whether on a before-tax or after-tax basis, and in accordance with any applicable regulations: (i) pre-paying the premiums for coverage during the leave, (ii) paying premium payment benefits during the FMLA leave, or (iii) paying, upon return from the leave, the premium payment benefits for coverage during the leave, and adjusting the Salary Reduction Contribution accordingly for the balance of the Plan Year.

With respect to premium payment benefits described in Section 4.4(D), if the Covered Employee elects to revoke such coverage during the unpaid leave, no expenses incurred during the leave shall be reimbursed. Upon return from leave, the Employee can either: i) elect to be reinstated in the prior election amount, reduced by the dollar amount of the annual election not contributed during the unpaid leave, or ii) elect to be reinstated to the full annual election amount, with the Salary Reduction Contribution adjusted accordingly for the balance of the Plan Year.

With respect to premium payments benefits described in Section 4.4(F), 4.4(G), and 4.4(H), Employee may elect to continue participation by paying premium payment benefits during the FMLA leave on an after-tax basis.

C. Date Coverage Ceases

Coverage for a specific benefit offered under the Plan ceases on the earliest of:

1. the last day of the month in which the Covered Employee last satisfies the eligibility and participation requirements of Sections 3.1 and 3.2, respectively,
2. except where participation continues during an unpaid leave of absence, the last day of the last pay period for which a Covered Employee makes a Salary Reduction Contribution or Salary Deduction Contribution with respect to an elective Benefit,
3. the effective date of a Plan amendment that terminates coverage for the Covered Employee's job category,
4. the date the Plan terminates.

A Covered Employee's Dependent shall cease to be a Covered Person if the Employee ceases to be a Covered Person or as provided for in an applicable Incorporated Document, except as otherwise provided in Article VII.

D. Effect of Terminated Coverage

Termination of coverage automatically cancels a Covered Employee's Salary Reduction Agreement and Salary Deduction Agreement on the date coverage terminates. Coverage and benefits may continue in effect to the extent provided in an applicable Incorporated Document.

E. Reinstatement of Coverage

1. If Previously Suspended

A Covered Employee who returns to an Employer's service during the same Plan Year that he or she took an unpaid leave of absence will have reinstated automatically the Benefits in effect when Plan coverage was suspended provided such benefits continue to be provided by the Company. If an unpaid leave of absence was taken in accordance with

FMLA, such Covered Employee may reinstate his or her election and Salary Reduction Agreement for the remainder of the Plan Year if participation has not continued pursuant to Section 3.3(B). In all other cases, the Covered Employee may only make any new benefit elections for the remainder of the Plan Year, as described in Section 5.8.

2. If Previously Terminated

A Covered Employee who returns to an Employer's service shall be eligible to participate in the Plan and make new benefit elections, provided such Employee satisfies the eligibility requirements of Section 3.1.

Notwithstanding the foregoing, if a former Covered Employee returns to service during the same Plan Year and within 30 days of the date prior participation ended, his or her elections for Benefits described in Section 4.4(A), 4.4(B), 4.4(C), and 4.4(D) shall be reinstated for the remainder of the Plan Year, except as described in Section 5.8. The above rule shall not apply and the rehired Employee shall be eligible to make new elections for Benefits described in Section 4.4(A), 4.4(B), 4.4(C), and 4.4(D) for the balance of the Plan Year, if it is determined to the satisfaction of the Plan Administrator that the prior termination of employment and reinstatement was bona fide and not an attempt to avoid the irrevocable rule described in Section 5.8(A).

To the extent a payment has been made to or with respect to a Covered Person pursuant to a State Medicaid program and the amount so paid is for a medical expense that the Plan has a legal liability to pay, the Plan will pay such expense in accordance with any State law that provides that the State has acquired the right with respect to the Covered Person to receive payment for such expense.

ARTICLE V
ELECTIONS

5.1 Enrollment for Non-Elective Benefits

All Employees meeting the eligibility requirements of Section 3.1 shall be automatically covered for Benefits described in Section 4.5 and such benefits shall not be subject to the provisions of this Article V.

5.2 Enrollment for Elective Benefits

A. Initial Enrollment/Election

Employees meeting the eligibility requirements of Section 3.1 shall be eligible to elect Benefits described in Section 4.4.

B. Annual Enrollment/Election

Approximately 60 days before each Plan Year begins, the Plan Administrator shall conduct an enrollment during which Employees may make new elections or change existing ones for the next Plan Year.

5.3 Salary Reduction/Deduction Agreements

During the applicable election period determined by the Employer, an Employee shall enter into a Salary Reduction Agreement with the Employer if such Employee selects Benefits requiring Employee pre-tax contributions. The Salary Reduction Agreement shall authorize the Employer to reduce the Employee's salary by the amount of required Employee contributions. All elections of Benefits shall be null and void if the Covered Employee fails to execute a Salary Reduction Agreement as provided for herein.

During the applicable election period determined by the Employer, an Employee shall enter into a Salary Deduction Agreement with the Employer if such Employee selects Benefits requiring Employee after-tax contributions. The Salary Deduction Agreement shall authorize the Employer to deduct the amount of required Employee contributions from the Employee's pay on an after-tax basis. All elections of Benefits shall be null and void if the Covered Employee fails to execute a Salary Deduction Agreement as provided for herein.

5.4 Forms and Agreements

Employees may enroll, make elections, and direct their Employer to make Salary Reduction Contributions and/or Salary Deduction Contributions only by filing the appropriate, completed forms or agreements with the Plan Administrator before the deadline described in Section 5.6.

5.5 Default Benefits

The Plan Administrator shall conduct an enrollment during which Employees may make new elections or change existing ones for the next Plan Year. For any year in which the Plan Administrator allows a passive enrollment, unless the Plan Administrator approves a

supplemental election, as described in Section 5.8(B), a Covered Employee who fails to submit a valid enrollment/election and Salary Reduction Agreement and/or Salary Deduction Agreement, as required in Section 5.4, is deemed to have reelected benefits in effect for the prior year, except that the Covered Employee will be deemed to have declined participation in the Health Care Spending Account, Dependent Care Spending Account and Health Savings Account.

An Employees enrolling for the first time who fails to submit a valid enrollment/election and Salary Reduction Agreement and/or Salary Deduction Agreement, as required in Section 5.4, is deemed to have waived all elective benefits in Section 4.4.

Contributions required for the default coverage shall be deducted from the Employee's pay as Salary Reduction Contributions, as permitted under the Code, or as Salary Deduction Contributions.

5.6 Deadlines

A. Initial Enrollment/Election

For Employees who become eligible after the Effective Date but before the annual enrollment described in Section 5.2(B), the deadline for enrolling and making initial elections is 30 days from the Employee's date of hire. Salary Reduction Agreements and/or Salary Deduction Agreements completed by Eligible Employees shall be effective as soon as administratively practicable once the Employee becomes eligible in accordance with Section 3.1 and completes the initial enrollment agreement with the Plan Administrator.

B. Annual Enrollment/Election

For Covered Employees and Employees who become eligible as of the first day of a Plan Year, the deadline for enrolling and making elections is the date the Plan Administrator specifies, but no later than the day preceding the first day of the Plan Year to which the enrollment, elections, and Salary Reduction Agreement and/or Salary Deduction Agreement apply.

5.7 Validity of Election Forms

A. Plan Administrator Approval

Enrollments and elections and Salary Reduction Agreement and/or Salary Deduction Agreements take effect only if valid, as determined by the Plan Administrator. Except for supplemental elections described in Section 5.8(B), the Plan Administrator shall substitute the unreduced compensation benefit, described in Section 4.3, for any invalid premium payment benefit election.

B. Remedial Modification or Rejection

The Plan Administrator may modify or reject any enrollment or election and/or Salary Reduction Agreement and/or Salary Deduction Agreement or take other action the Plan Administrator deems appropriate under rules uniformly applicable to similarly situated persons to satisfy nondiscrimination requirements of Code

Section 125(b). Any remedial modification, rejection, or other action the Plan Administrator takes must be on a reasonable basis that does not discriminate in favor of highly compensated individuals or participants, as defined in Code Section 125(e)(1) and (2), respectively, or key employees, as defined in Code Section 416(i)(1).

5.8 Changing Elections

A. General Rule

All elections and Salary Reduction Agreements and/or Salary Deduction Agreements stay in force during the entire Plan Year to which they apply unless changed or revoked as provided in this Section 5.8. During annual enrollment, however, Covered Employees may make new benefit elections or change existing ones for the forthcoming Plan Year. Notwithstanding the foregoing, elections and Salary Deduction Agreements for Benefits described in Section 4.4(I), 4.4(F), 4.4(G), and 4.4(H) are not subject to the rules of this Section 5.8.

This rule does not apply to the Health Savings Account. With respect solely to the Health Savings Account, a participant who makes an election to contribute Salary Reduction Contributions to his or her Health Savings Account may change such election on a prospective basis at least once per month. Such election change is effective no later than the first day of the next calendar month following the date that the election was filed.

B. Supplemental Elections

Section 5.8(A) notwithstanding, the Plan Administrator may approve a supplemental election to correct an enrollment or election form or Salary Reduction Agreement or Salary Deduction Agreement that is invalid for any reason if approval would not violate Code Section 125.

C. Revocation of Elections

Except as provided in Section 3.3(C), Covered Employees may revoke elections (including default elections) and Salary Reduction Agreements and Salary Deduction Agreements during a Plan Year only in accordance with the provisions described in this Section 5.8(C). Except for changes made in accordance with Section 5.8(C)(7) and, changes made pursuant to a HIPAA special enrollment due to initial entitlement to state premium assistance under Medicaid or CHIP or loss of entitlement to Medicaid or a state children's health insurance program (CHIP), a Covered Employee must make the change within 30 days of the event giving rise to the election change. In the event of a HIPAA special enrollment due to the loss of Medicaid or a state children's health insurance program (CHIP) or initial entitlement to state premium assistance by an Employee, Spouse or Dependent a Covered Employee will have 60 days from the date of the event to make an election change. Notwithstanding the provisions of this Section 5.8(C), an Employee's or Covered Employee's ability to elect or revoke certain benefit option midyear may be restricted by the terms of the plan governing that benefit option. [The Plan will disregard the Outbreak Period for purposes of calculating any 30 or 60-day HIPAA special enrollment periods.](#)

1. Separation from Service

Covered Employees may revoke elections and Salary Reduction Agreements or Salary Deduction Agreements on separating from the Employer's service. Regardless of previous claims or reimbursements, the Plan Administrator must reimburse a Covered Employee for any amounts the Covered Employee already paid for coverage relating to the period after the effective date of termination of coverage.

2. Change in Status

A Covered Employee may revoke any election and make a new one if such revocation and new election are both on account of and necessary or appropriate because of a Change in Status.

Election and Salary Reduction Agreement changes must be consistent with the Change in Status, except for elections:

- a. Made pursuant to the special enrollment provisions of HIPAA, or
- b. Made to increase Salary Reduction Contributions in the event the Employee or Dependent elects COBRA coverage.

For purposes of this paragraph (2), the term "consistent" means that the Change in Status event must cause the Employee or Employee's Spouse or Dependent children to gain or lose eligibility under an employer-sponsored benefit offered through this Plan or the plan of the Spouse or Dependent (or a dependent's intention to enroll in Exchange coverage as stated in IRS Notice 2022-41), including a Change in Status that results in an increase or decrease in the number of an Employee's Dependents who may benefit from coverage under the Plan. Coverage may be retroactive to the date of the event, to the extent permitted by the applicable Incorporated Document; in no event will the Employee pay for retroactive coverage on a pre-tax basis unless permitted under Section 125 of the Code. With respect to an election made pursuant to a birth, adoption or placement for adoption of a child, the election change shall take effect as of the birth, adoption or placement for adoption.

The Plan Administrator may require such evidence as it deems necessary to satisfy the consistency requirement imposed by Section 125 of the Code.

3. Cost Changes

If the cost of a premium payment benefit increases or decreases during a Plan Year, the Plan may, on a reasonable and consistent basis, automatically make a prospective change to Covered Employees' contributions to reflect the cost of this change.

If the Plan Administrator determines that the decrease or increase in cost of such premium payment benefit is significant, however, Covered

Employees who have elected that premium payment benefit may either change their Salary Reduction Agreement correspondingly. Such changes include, if there is an increase in cost, revoking their premium payment benefit election and — in lieu thereof — elect, prospectively, a premium payment benefit with similar coverage, or may revoke the existing premium payment benefit if no other option providing similar coverage is available. Employees who previously waived participation may elect benefits if the cost of the coverage significantly decreases during the Plan Year.

This opportunity for making new elections does not apply to the Health Care Spending Account Plan Premium Payment Benefit and applies to the Dependent Care Spending Account Plan only if a cost change is imposed by a dependent care provider who is not a relative of the Covered Employee. For purposes of this subparagraph (c), a “relative” is an individual who is related as described in Code Section 152(d)(2) (A) through (G), incorporating the rules of Code Sections 152(f)(1)(B) and 152(f)(4).

4. Coverage Changes

This subparagraph does not apply to the Health Care Spending Account Plan.

a. Significant curtailment without a *loss of coverage*

If coverage offered under the Plan is significantly curtailed without a *loss of coverage* during a Plan Year, affected Covered Employees may revoke their election and make a new election on a prospective basis for coverage under another option providing similar coverage. For purposes of this subsection, a significant curtailment occurs if there is an overall reduction in coverage generally.

b. Significant curtailment with *loss of coverage*

If coverage offered under the Plan is significantly curtailed to the extent that the Covered Employee experiences a *loss of coverage*, affected Covered Employees may revoke their election and make a new election on a prospective basis for coverage under another option providing similar coverage, or may revoke existing coverage if no other option providing similar coverage is available. For purposes of this subsection, a *loss of coverage* means a complete loss of coverage under the benefit option and shall include the elimination of a benefit option, an HMO ceasing to be available where the individual resides, the individual losing all coverage under the option by reason of an overall lifetime or annual limitation, or other fundamental loss of coverage as determined by the Plan Administrator.

c. Significantly improved or new benefit option

If the coverage offered under the Plan is significantly improved or if a new benefit option is made available under the Plan, then: (A) a Covered Employee who is enrolled in a benefit option other than the new or significantly improved benefit option may change their election on a prospective basis to elect the new or significantly improved benefit option, or (B) a Eligible Employee who had previously elected to waive coverage under a benefit option may elect to enroll on a prospective basis in the new or significantly improved benefit option. The Plan Administrator, in its sole discretion, will determine whether there has been an addition of, or a significant improvement in, a benefit option in accordance with Internal Revenue Service guidance.

5. Change in Coverage of Employee, Spouse or Dependent under Another Employer's Plan

This subparagraph does not apply to the Health Care Spending Account Plan.

If the Employee or the Employee's Spouse or Dependent is covered under another plan of the Employer or a plan of the employer of the Employee's Spouse or Dependent, the Employee may make an election change under this Plan in the following situations, provided such election change is on account of and corresponds with a change under the other plan:

- a. if the plan year of such other employer plan is different than the Plan Year of this Plan, or
- b. if the other employer plan permits the Employee, Spouse or Dependent to make changes for any of the situations described in this Section 5.8(C).

6. Loss of Coverage under Another Health Plan

This subparagraph does not apply to the Health Care Spending Account Plan.

If an Employee, Spouse or Dependent loses coverage under any group health coverage sponsored by a governmental or educational institution, the Employee may make a new election on a prospective basis for health coverage provided under this Plan, provided such Employee, Spouse or Dependent is otherwise eligible for coverage under this Plan. For purposes of this subsection, a governmental or educational institution shall include the following:

- a. A state children's health program (CHIP) under Title XXI of the Social Security Act,

- b. A medical program of an Indian Tribal government (as defined in Section 7701(a)(40) of the Code), the Indian Health Service, or a tribal organization,
- c. A state health benefits risk pool, or
- d. A foreign government group health plan.

7. Automatic Adjustment of Election

The election and Salary Reduction Agreement of a Covered Employee who loses a Spouse or Dependent due to death for purposes of a premium payment benefit described in Section 4.4 but fails to make a timely election in accordance with Section 5.8(C)(2)—shall be automatically adjusted in accordance with this subsection.

ARTICLE VI
COORDINATION OF BENEFITS

6.1 Applicability

Except as provided in Section 6.10, the following Coordination of Benefits (“COB”) provisions apply to this Plan, as outlined in this Article VI, when a Covered Person has health care coverage under more than one Health Care Arrangement.

6.2 COB Definitions

A. “Health Care Arrangement” means any of the following coverages which provides benefits or services to the Covered Person for, or because of, medical, dental, surgical or hospital care treatment:

1. Group or nongroup coverage, whether insured or uninsured, including HMOs;
2. The medical care component of long-term care contracts, such as skilled nursing care;
3. Coverage under a labor-management trustee plan, a union welfare plan, an employer organization plan or an employee benefits plan;
4. Coverage under federal government programs, except that coverage under a federal government program may be limited to hospital, medical and surgical benefits of the governmental program. Coverage does not include Medicare supplemental policies or Medicaid policies;
5. The medical benefits coverage in group or individual automobile “fault” or “no-fault” coverage.

The term Health Care Arrangement shall be construed separately with respect to each policy, contract, or other arrangement for benefits or services and separately with respect to that portion of any such policy, contract, or other arrangement which reserves the right to take the benefits or services of other Health Care Arrangements into consideration in determining its benefits and that portion which does not.

B. “Allowable Expense” means an expense for health care, when the item of expense is covered at least in part by one or more Health Care Arrangements covering the individual for whom the claim is made.

When a Health Care Arrangement provides benefits in the form of services instead of cash payments, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid.

6.3 Order of Benefit Determination Rules

This Plan determines its order of paying benefits using the first of the following rules which applies:

A. COB/Non-COB Provision

The benefits of a Health Care Arrangement which does not contain a COB provision always shall be determined before the benefits of a Health Care Arrangement which does contain a COB provision.

B. No Fault Auto Insurance

The benefits of the Health Care Arrangement which covers the person as a beneficiary under a no-fault automobile insurance policy required by law shall be determined prior to this Plan, regardless of whether the no-fault policy has been selected as secondary.

C. Non-Dependent/Dependent

Subject to paragraph I, the benefits of the Health Care Arrangement which covers the person as an employee, member or subscriber (that is, other than as a dependent) shall be determined before those of the Health Care Arrangement which covers the person as a dependent.

D. Dependent Child/Parents not Separated or Divorced

Except as stated in Paragraph (E) below, when this Plan and another Health Care Arrangement cover the same child as a dependent of different persons, called "parents":

1. the benefits of the Health Care Arrangement of the parent whose birthday falls earlier in a year are determined before those of the Health Care Arrangement of the parent whose birthday falls later in that year; but
2. if both parents have the same birthday, the benefits of the Health Care Arrangement which covered the parent longer are determined before those of the Health Care Arrangement which covered the other parent for a shorter period of time.

However, if the other Health Care Arrangement does not have the rule described in (1) immediately above, but instead has a rule based upon the gender of the parent, and if, as a result, the Health Care Arrangements do not agree on the order of benefits, the rule in the other Health Care Arrangement will determine the order of benefits.

For a dependent who has coverage under either or both parents and also has coverage as a dependent under a spouse's plan, the rule in paragraph H applies.

E. Dependent Child/Separated or Divorced Parents

If two or more Health Care Arrangements cover a person as a dependent child of divorced or separated parents, benefits for the child are determined in this order:

1. first, the Health Care Arrangement of the parent with custody of the child;
2. then, the Health Care Arrangement of the spouse of the parent with custody of the child;
3. then, the Health Care Arrangement of the parent not having custody of the child; and
4. finally, the Health Care Arrangement of the spouse of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the Health Care Arrangements of that parent has actual knowledge of those terms, the benefits of that Health Care Arrangement are determined first. This paragraph does not apply with respect to any Plan Year starting before the Plan is given notice of the court decree.

This Plan will not cover the expenses of any child who does not meet the Plan's definition of Dependent as defined in Article II, except as may be required pursuant to a qualified medical child support order under Section 609(a) of ERISA.

F. Active/Inactive Employee

The benefits of a Health Care Arrangement which covers a person as an employee who is neither laid off nor retired (or as that employee's dependent) are determined before those of a Health Care Arrangement which covers that person as a laid off or retired employee (or as that employee's dependent). If the other Health Care Arrangement does not have this rule, and if, as a result, the Health Care Arrangements do not agree on the order of benefits, this rule is ignored.

G. Continuation Coverage

If an individual is covered under a continuation plan as a result of the purchase of coverage as provided under federal or state law, and also under another group plan, the following shall be the order of benefit determination:

1. First, the benefits of a plan covering the person as an employee or retiree (or as the dependent or employee or retiree);
2. Second, the benefits of coverage under the continuation plan.

If the other plan does not have the rule described above, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.

H. Longer-Shorter Length of Coverage

If none of the above rules determines the order of benefits, the benefits of the Health Care Arrangement which has covered the person longer are determined before those of the Health Care Arrangement which has covered that person for the shorter time.

The start of a new plan does not include:

1. A change in the amount or scope of a plan's benefits;
2. A change in the entity that pays, provides or administers the plan's benefits; or
3. A change from one type of plan to another, such as from a single employer plan to a multiple employer plan.

I. Medicare Coordination

1. Employees and/or Spouses Entitled to Medicare Due to Age

Unless an active Employee entitled to Medicare due to age gives the Plan notice, in the form and manner requested by the Plan Administrator, waiving his or her right to Plan benefits, the Plan is Primary. With respect to the spouse of an active employee who is entitled to Medicare due to the spouse's age, unless the Employee gives the Plan notice, in the form and manner requested by the Plan Administrator, waiving Plan benefits, the Plan is primary.

2. Medicare Disabled Covered Persons

If required by law, the Plan is primary with respect to a Covered Person who is also entitled to Medicare because of disability. Otherwise, the Plan is secondary.

3. Covered Persons with End-Stage Renal Disease

For the period required by law, if any, the Plan is primary with respect to a Covered Person entitled to Medicare because of end-stage renal disease. Otherwise, the Plan is secondary.

6.4 Effect on the Benefits of this Plan

A. When this Section Applies

This Section 6.4 applies when, in accordance with Section 6.3, "Order of Benefit Determination Rules", this Plan is a secondary payor of benefits to one or more other Health Care Arrangements. In that event, the benefits of this Plan may be reduced under this Section. Such other Health Care Arrangement or Arrangements are referred to as "the other Arrangements" in (B) immediately below.

B. Reduction in this Plan's Benefits

The benefits that would be payable under this Plan in the absence of the COB provisions specified in this Article VI will be reduced by the benefits payable under the other Arrangements for the expenses covered in whole or in part under this Plan. This applies whether or not claim is made under a Health Care Arrangement.

When a Health Care Arrangement provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an expense incurred and a benefit payable.

C. This Plan shall credit against its plan deductible any amounts it would have credited to its deductible in the absence of the other Health Care Arrangement.

6.5 Disagreement on Order of Benefits

If the Plan and other Health Care Arrangement(s) cannot agree on the order of benefits within thirty (30) calendar days after the plans have received all of the information needed to pay the claim, the Plan shall immediately pay half of the claim and will determine its liability following payment, except that the Plan shall be required to pay no more than it would have paid had it been the primary plan.

6.6 Limitation of Benefits

In applying this Article's provisions, the Plan does not pay health care benefits in an amount greater than it would have if it were primary.

6.7 Right to Receive and Release Necessary COB Information

The Company has the right to obtain any information necessary to apply the COB provisions of this Article VI. The Company has the right to obtain COB information from or give that information to any other organization or person involved in the administration of the COB provisions of this Plan or any other Health Care Arrangement. The Company need not tell, or get the consent of, any person prior to obtaining that information. Each person claiming benefits under this Plan must give the Company any information it needs to process the claim.

6.8 Facility of Payment

A payment made under another Health Care Arrangement may include an amount which should have been paid under this Plan. If it does, the Company may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under this Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

6.9 Right of Recovery

If the amount of the payments made by the Company is more than it should have paid under the COB provisions specified in this Article VI, it may recover the excess from one or more of:

- A. the persons it has paid or for whom it has paid;
- B. insurance companies; or
- C. other Health Care Arrangements, including Workers' Compensation.

The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

6.10 Governing Provisions

When the provisions describing coordination of benefits are set forth in an applicable Incorporated Document, such Incorporated Document shall govern except to the extent the provisions fail to establish order of responsibility, in which case the provisions of this Article VI shall govern.

ARTICLE VII

COBRA CONTINUATION COVERAGE

7.1 Eligibility for Continuation Coverage

The provisions contained in this Article VII apply only to benefits provided under Section 4.4(A), 4.4(B), 4.4(C), 4.4(D), and 4.5(D). The provisions of this Article VII do not govern to the extent provided in Section 7.9.

Certain Employees and Dependents shall have the right to purchase continuation coverage under this Plan in accordance with the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law 99-272, Title X (COBRA), provided such individuals were Covered Persons under the Plan on the date immediately preceding the date of a Qualifying Event or become Covered Persons during the continuation period because such Dependent is born to or placed for adoption with the Employee.

7.2 Definitions

For purposes of this Article VII, the following terms have the following meanings:

- A. "Employee" means a person who is (or was) covered under the Plan by virtue of the person's performing services for the Employer on the day before the occurrence of the event giving rise to the right to elect COBRA continuation coverage.
- B. "Dependent" means, with respect to an Employee as defined in this Section 7.2, any individual who, on the day before the occurrence of the event giving rise to the right to elect COBRA continuation coverage, is covered under the Plan as (1) the Spouse of such Employee or (2) the Dependent child of such Employee. The term Dependent shall include any child born to or placed for adoption with the Employee during the continuation period.
- C. "Qualified Beneficiary" means an Employee or Dependent as defined in this Section 7.2 but shall not mean Dependents defined in Section 7.7(B), except that the term Qualified Beneficiary shall include Dependents born to or placed for adoption with the Employee during the continuation period.
- D. "Qualifying Event" means any of the following, the occurrence of which would result in loss of coverage under the Plan were it not for the right to purchase COBRA continuation coverage:
 - 1. for Employees, termination of employment for any reason other than gross misconduct, or loss of eligibility due to reduction in hours worked by the Employee;
 - 2. for Dependents:
 - a. death of the Employee;
 - b. divorce or legal separation of the Employee and Spouse;

- c. reduction in hours worked by the Employee or termination of employment by the Employee for any reason other than gross misconduct;
- d. entitlement of the Employee to benefits under Title XVIII of the Social Security Act (relating to Medicare); or
- e. ceasing to qualify as a Dependent child under the Plan.

The Qualifying Event shall be deemed to occur on the date coverage ends because of the Qualifying Event — not on the date of the Qualifying Event.

7.3 Loss of Eligibility for Continuation Coverage

A Qualified Beneficiary shall not be eligible for COBRA continuation coverage unless:

- A. the Company or Plan Administrator is notified of the election of COBRA continuation coverage, on a form provided for that purpose, within 60 days of the later of:
 - 1. the date the Qualified Beneficiary's coverage under the Plan would otherwise terminate by reason of an event described in Section 7.2(D); or
 - 2. the date notice of eligibility is sent to the individual in accordance with Section 7.5(C); and
- B. the Qualified Beneficiary pays the initial required premium, as set forth in Section 7.8, no later than the date 45 days after the date on which COBRA continuation coverage was elected.

Notwithstanding the foregoing, the Outbreak Period shall be disregarded for determining the 60- and 45-day deadlines in this Section.

Until expiration of the election period, a Qualified Beneficiary may change or revoke any election. Failure to elect COBRA continuation coverage within the prescribed election period shall result in a waiver of the right to COBRA continuation coverage.

7.4 Termination of COBRA Continuation Coverage

COBRA continuation coverage shall terminate on the date on which the earliest of the following occurs:

- A. the last day of the month preceding the date the Qualified Beneficiary fails to pay a subsequent required premium within 30 days of the date it is due;
- B. the date the Qualified Beneficiary first becomes, after the date of making a COBRA election, entitled to Medicare;
- C. the date the Qualified Beneficiary first becomes, after the date of making a COBRA election, covered under another group health plan, as defined in Code Section 5000(b)(1), not containing a limitation or exclusion as to any pre-existing condition of such individual (other than such an exclusion or limitation which does

not apply to, or is satisfied by, such beneficiary by reason of the Health Insurance Portability and Accountability Act of 1996);

- D. 36 months from the date on which a Qualifying Event described in Sections 7.2(D)(2)(a), 7.2(D)(2)(b), 7.2(D)(2)(d), or 7.2(D)(2)(e) occurs;
- E. 18 months from the date on which a Qualifying Event described in Sections 7.2(D)(1) or 7.2(D)(2)(c) occurs. If a Qualifying Event described in Sections 7.2(D)(2)(a), 7.2(D)(2)(b), or 7.2(D)(2)(e) occurs subsequent to a Qualifying Event described in Section 7.2(D)(2)(c), an additional period of coverage shall be allowed for Dependents who have properly and timely elected and paid for COBRA continuation coverage; but, in no event shall the sum of the first and second periods of coverage exceed 36 months from the date of the first Qualifying Event giving rise to the Qualified Beneficiary's eligibility for COBRA continuation coverage;
- F. the date the Company terminates all group health plans;
- G. in the case of a Qualified Beneficiary who is determined under Title II or XVI of the Social Security Act to have been disabled (i) at the time of the Qualifying Event or (ii) at any time during the first 60 days of continuation coverage, the 18-month period set forth in Section 7.4(E) shall be extended to 29 months; provided that such individual notifies the Plan Administrator of such determination in accordance with Section 7.5(D) before the end of such 18-month period; and provided further that if the Qualified Beneficiary does not remain disabled during the extended period, coverage shall cease with the month that begins more than 30 days after the date of the final determination under Title II or XVI of the Social Security Act that the Qualified Beneficiary is no longer disabled;
- H. in the case of a Qualifying Event described in Section 7.2(D)(2)(c) that occurs less than 18 months after the date the Employee becomes entitled to Medicare, 36 months from the date the Employee becomes entitled to Medicare; or
- I. for the Health Care Spending Account Plan or Limited Purpose Health Care Spending Account Plan, the last day of the Plan Year in which the Qualifying Event occurs.

7.5 Notice Requirements

- A. The Employer shall notify the Plan Administrator of the occurrence of an event described in Sections 7.2(D)(1), 7.2(D)(2)(a), 7.2(D)(2)(c), and 7.2(D)(2)(d) within 30 days of the date of the described event.
- B. The Qualified Beneficiary shall be responsible for notifying the Plan Administrator of the occurrence of an event described in Sections 7.2(D)(2)(b) or 7.2(D)(2)(e) within 60 days of the date of the described event. The Outbreak Period shall be disregarded for determining this 60-day deadline.
- C. The Plan Administrator shall provide notice to Qualified Beneficiaries of their COBRA continuation coverage rights within 14 days of the date it receives the notice described in Sections 7.5(A) and (B).

- D. A Qualified Beneficiary, who is determined under Title II or XVI of the Social Security Act to have been disabled at any time within the first 60 days of the continuation period, shall be responsible for notifying the Plan Administrator of such determination within 60 days after the date of such determination, but in no event later than the end of the 18-month period set forth in Section 7.4(E). Such Qualified Beneficiary further shall be responsible for notifying the Plan Administrator of any final determination under such Title(s) that he or she is no longer disabled, within 30 days of the date of such determination. The Outbreak Period shall be disregarded for determining these 30- and 60-day deadlines.
- E. At the commencement of coverage under the Plan, the Plan Administrator shall provide each Employee or Spouse who is a Covered Person with notice of their rights under COBRA.
- F. The Plan Administrator shall provide notice to each Qualified Beneficiary of any termination of COBRA continuation coverage that takes effect earlier than the end of the maximum period of COBRA continuation coverage applicable to the Qualified Beneficiary.
- G. The Plan Administrator shall provide notice to each Employee, Spouse or Dependent of the unavailability of COBRA continuation coverage if the Plan Administrator determines after receiving notice of a Qualifying Event that the Employee, Spouse or Dependent is not entitled to COBRA continuation coverage.

7.6 Coverage Available for Continuation

A Qualified Beneficiary may elect to continue receiving the health care coverage (as defined in COBRA regulations) he or she was receiving immediately before the event giving rise to the right to elect COBRA continuation coverage. If coverage provided to similarly situated active Employees is changed or eliminated, COBRA continuation coverage also shall be changed or eliminated. If the Company terminates the Plan but continues to maintain one or more other group health plans, as defined in Code Section 5000(b)(1), COBRA continuation coverage recipients may elect coverage under one of those other group health plans. A Qualified Beneficiary may elect to continue to receive coverage for the level of reimbursement, if any, that the individual had in effect under his or her Health Care Spending Account immediately before the Qualifying Event after reflecting debits for health care reimbursements made up to the Qualifying Event.

7.7 Election Rules

A. Scope of Election

Each affected Qualified Beneficiary generally shall have an independent right to elect or reject COBRA continuation coverage under this Article VII; provided, however, that in the event an Employee or his or her Spouse makes an election to continue coverage on behalf of the other or on behalf of any other Qualified Beneficiary, such election shall be binding on such other party; and provided further, that in the event the Qualified Beneficiary is a minor or an incapacitated person, the parent or legal guardian of such minor or the legal representative of such incapacitated person shall have the right to elect or reject continuation coverage on behalf of such minor or incapacitated person, and any such election

or rejection of coverage shall be binding on such minor or incapacitated person. Each Qualified Beneficiary is entitled to a separate election with respect to any choice of coverages available under the Plan.

B. After Acquired Dependents

A Qualified Beneficiary eligible for COBRA continuation coverage may elect to cover Dependents (as defined in Section 7.2(B)) acquired after the date of eligibility described under Section 7.3 to the same extent as Covered Persons, provided the Company or Plan Administrator is notified of the election to cover such Dependent(s) in the manner and within the time set forth in an applicable document incorporated by reference under the Plan, except that in no event shall notice be required within a period of less than 30 days. (Notwithstanding the foregoing, the Plan shall disregard the Outbreak Period for purposes of this 30 days.) Such newly acquired Dependent(s), other than Qualified Beneficiaries defined in Section 7.2(C), shall have no independent right to COBRA continuation coverage. Failure to notify the Company or Plan Administrator within the prescribed time shall result in a waiver of the right to elect COBRA continuation coverage for such newly acquired Dependent(s).

C. Open Enrollment Periods

During an open enrollment period occurring during the COBRA coverage period, a Qualified Beneficiary may elect to cover Dependents not previously covered, subject to the terms and conditions set forth in the applicable document incorporated by reference under the Plan. This subsection (C) shall not apply to Health Care Spending Account benefits.

7.8 Required Premium

In order to receive COBRA continuation coverage, Qualified Beneficiaries shall agree, on forms furnished by the Plan Administrator, to pay any required premiums to the Plan and shall make such premium payments when and as required. All premiums other than the initial premium shall be due on the first day of the calendar month. The amount of the premium shall be no more than 102 percent of the cost of coverage. In the case of a Qualified Beneficiary who is determined under Title II or XVI of the Social Security Act to have been disabled at any time within the first 60 days of continuation coverage, the cost of coverage for the 19th month through the 29th month of coverage shall be no more than 150 percent of the cost of coverage. Notwithstanding the foregoing, the cost of coverage shall not exceed the maximum, nor be changed more frequently than, permitted by law.

7.9 Governing Provisions

When the provisions for COBRA continuation coverage are set forth in an applicable Incorporated Document, such applicable Incorporated Document shall govern except to the extent such language fails to comply with requirements of applicable law or fails to determine the right or liability of the party, in which case the provisions of this Article VII shall govern.

ARTICLE VIII
CONTRIBUTIONS, FUNDING AND PLAN ASSETS

8.1 Contributions

A. Employer Contributions

The Employer shall pay premiums for Benefits listed in Section 4.4 to the Employer-sponsored plans to which such benefits are payable provided that the Covered Employee shall authorize Salary Reduction Contributions and/or Salary Deduction Contributions in a corresponding amount pursuant to Section 8.1(B)(2).

The Employer shall make Employer contributions for benefits listed in Section 4.5 to the Employer-sponsored plans to which such benefits are payable.

The Employer shall make the required contribution to a Health Savings Account for Employees who elect such premium payment benefit under Article IV.

Notwithstanding any contrary Plan provision, an Employer is not obligated to contribute to the Plan after it is terminated except to the extent required to pay benefits outstanding on the date the termination is adopted or, if later, effective.

B. Salary Reduction and/or Salary Deduction Contributions

As a condition of Plan participation, Employees must agree to direct the Employer to:

1. not reduce their compensation and not provide premium payment benefits pursuant to Section 4.4, or
2. reduce their compensation and make Salary Reduction Contributions and/or Salary Deduction Contributions to the plan(s) governing their selected premium payment benefits.

Any election of premium payment benefits shall be null and void unless the Employee authorizes a Salary Reduction Agreement and/or a Salary Deduction Agreement as provided for herein. An Employer must take Salary Reduction Contributions and/or Salary Deduction Contributions and apply them as directed, except that the Employer may not apply a Salary Reduction Contribution or a Salary Deduction Contribution for a selected premium payment benefit to any other premium payment benefit nor may a Salary Reduction Contribution or a Salary Deduction Contribution be applied during a subsequent Plan Year to any participating plan that provides benefits or coverage. Any such Salary Reduction Agreements and/or a Salary Deduction Agreements are hereby incorporated by reference into the Plan as if set forth in full herein.

C. Priority of Contributions

Contributions shall be deemed to come first from amounts contributed by Covered Employees and then from amounts contributed by the Employer.

D. COBRA Contributions

To the extent a former Covered Employee, Dependent or Spouse has exercised his or her continuation rights under the Consolidated Omnibus Reconciliation Act of 1985 (COBRA) with respect to benefits described in Section 7.1, the Plan shall accept contributions from such individuals as COBRA premiums.

8.2 Funding

A. Funding Policy

The Employer shall establish and carry out, and may revise from time to time, the funding policy for the Plan.

B. Funding Mechanism

Contributions from the Employer and/or Employees may be held under or paid to one or more of the following vehicles: insurance policies or arrangements, arrangements with health maintenance organizations, or trust funds established by the Employer. In addition, benefits may be paid directly from the general assets of the Employer. Benefits provided through insurance or pursuant to an arrangement with a health maintenance organization shall be only paid by the Insurance Company issuing the insurance policy or by the health maintenance organization. The Employer shall have no liability for benefits provided through insurance or pursuant to an agreement with a health maintenance organization.

8.3 Plan Assets

The Employer shall make payments provided for in Section 8.1(A) from its general assets. The Employer shall make payments provided for in Section 8.1(B) and (D) by collecting Employee contributions and COBRA contributions and transmitting such amounts to the applicable benefits described in Article IV.

8.4 Treatment of Certain Policy Payments

Where an insurance policy provides for payment of premiums directly from the Employer, unless the insurance policy states otherwise, payable dividends, retroactive rate adjustments, rebates or experience refunds are not plan assets. These dividends, retroactive rate adjustments, rebates or experience refunds are Employer property, which the Employer may retain to the extent they do not exceed the Employer's aggregate contributions to Plan cost made from its own funds, except as required by law.

ARTICLE IX

CLAIM AND PAYMENT PROCEDURES

9.1 General Claims Procedures

Except as hereinafter provided, the provisions of this Section shall apply to every claim for a benefit under the Plan regardless of the basis asserted for the claim and regardless of when the act or omission upon which the claim is based occurred.

These provisions shall not apply to the extent that claims and appeals procedures are set forth differently in an Incorporated Document, except to the extent that claims and appeals procedures set forth in an Incorporated Document fail to comply with requirements of applicable law, in which case the provisions of this Article IX shall govern. In addition, the provisions of this Article IX shall not be interpreted so as to override applicable state laws that are more protective of Covered Persons' rights with respect to claims and appeals under ERISA plans, to the extent such state laws are not preempted by ERISA.

Solely with respect to the Benefits described in Section 4.4(A), notwithstanding any other Plan provision to the contrary, the Plan intends to comply with Section 2719 of the Public Health Service Act, as set forth in the Patient Protection and Affordable Care Act, and all regulations and guidance issued thereunder.

The Plan shall disregard the Outbreak Period when calculating deadlines stated in this Article IX.

Claim procedures for the Dependent Care Spending Account shall not be subject to this Article IX, but shall be subject to the terms set forth in Article VI of Appendix A.

Claim procedures for the Health Care Spending Account shall be as modified in Article VI of Appendix B.

Claim procedures for the Health Savings Account shall not be subject to this Article IX, but shall be subject to the terms set forth by the trustee for the Health Savings Account.

9.2 Claim Administrator

The Plan Administrator and/or the Company shall have the authority to appoint, remove, and replace one or more Claim Administrators. A Claim Administrator shall have the duties, powers, and responsibilities set forth herein. In the absence of such an appointment and except as hereinafter provided, the Plan Administrator shall also be the Claim Administrator.

Claims with respect to benefits provided on an insured basis shall be determined by the insurance company issuing the policy or agreement as Claim Administrator, except that, if the Employer and insurance company so agree in writing, the Plan Administrator shall retain final authority over the disposition of any review pursuant to Section 9.9.

With respect to claims for benefits provided on a self-funded basis, the Plan Administrator shall retain final authority over the disposition of any review pursuant to Section 9.9 unless otherwise delegated to a Claim Administrator in an Incorporated Document.

9.3 Claims Administration

The Claim Administrator shall have the duty to receive and review claims for benefits under the Plan; to determine what amount, if any, is due and payable under the terms and conditions of the Plan; to make or authorize appropriate disbursements of benefit payments to persons entitled thereto; to inform the Company or any other third party, as appropriate, of the amount of such benefits; to make claims decisions under the terms of the Plan; and to provide a full and fair review to any individual whose claim for benefits has been denied in whole or in part, except as described in Section 9.2 as applied to self-funded benefits.

9.4 Claimants and Designation of Authorized Representative

A Covered Person may file a claim for benefits to which such claimant believes he or she is entitled. A Covered Person may designate an authorized representative for the initial claim, an appeal of an adverse benefit determination, or both. An “authorized representative” means a person authorized by the Covered Person, in writing, to act on his or her behalf. To designate an authorized representative, the Covered Person must submit a written request on a form approved by the Plan Administrator, which the Covered Person signs and which authorizes the representative to act on their behalf with respect to the benefit claim. If a party is not properly designated as an authorized representative under the Plan, the Plan Administrator will not communicate with that party with respect to any benefit claim or other exercise of a Covered Person’s rights under the Plan. With respect to any urgent, pre-service, or concurrent care claim (discussed in Section 9.8(C) below), a Covered Person’s treating physician or other health care professional may act as an authorized representative in exercising a Covered Person’s rights under the Plan. The Plan will also recognize a court order giving a person authority to submit claims on a Covered Person’s behalf. Any attempt to assign benefits by a Covered Person to a health care provider is void pursuant to Article XII, and does not constitute a designation of an authorized representative for purposes of the Plan.

9.5 Claim Forms

The Claim Administrator shall furnish to a claimant, upon request, the form(s) required for filing a claim for benefits under the Plan.

9.6 Deadline for Filing a Claim

No claim for benefits shall be payable unless a properly completed claim form, including all necessary documentation of services or supplies received, is received by the Plan Administrator within the timeframe set forth in the applicable Incorporated Document. Failure to submit a properly completed claim form within the prescribed period shall neither invalidate nor reduce a claim if it is shown that it was not reasonably possible to furnish the claim form within that time and that the claim form was submitted as soon as reasonably possible.

9.7 Proof of Claim

As a condition of receiving a Plan benefit and as often as the Plan Administrator determines is reasonably necessary, a claimant must submit such evidence as the Plan Administrator shall require that a claim is reimbursable under the terms of the Plan.

9.8 Decision on the Claim

The following rules shall apply to claims filed with respect to an ERISA-covered Benefit under the Plan. An “adverse benefit determination” is a denial, reduction or termination of a benefit, failure to provide or pay for (in whole or in part) a benefit, a denial to participate in the Plan, or a claim adverse benefit determination on the grounds that the treatment is experimental, investigational or not medically necessary. This also includes concurrent care determinations. With respect to claims for disability benefits and claims for benefits under Section 4.4(A), certain retroactive terminations of coverage will be considered adverse benefit determinations, whether or not there is an adverse effect on any particular benefit at that time, to the extent required by applicable regulations and by guidance from the relevant government agencies.

- A. Any time a claimant receives an adverse benefit determination for benefits, other than group health plan and disability benefits as described in paragraphs B and C below, the claimant shall be given written notice of such action within a reasonable period of time but not later than 90 days after the claim is received by the plan, unless special circumstances require an extension of time for processing. If there is an extension, the claimant shall be notified of the extension and the reason for the extension within the initial 90-day period. The extension shall not exceed 180 days after the claim is filed.

If a claim is denied, in whole or in part, the claimant shall be notified of the adverse benefit determination in writing. The notice of adverse benefit determination shall contain the following information:

1. the specific reason(s) for the adverse benefit determination;
 2. a reference to the specific provision(s) in the Plan on which the adverse benefit determination is based;
 3. a description of additional material or information necessary to perfect the claim and an explanation of why the material or information is needed;
 4. a description of the Plan’s claim and appeal procedures and applicable timeframes; and
 5. a statement of the claimant’s right to bring a civil action under Section 502(a) of ERISA after the Plan’s appeal procedure (set forth below) has been exhausted.
- B. Any time a claimant receives an adverse benefit determination for disability benefits, the claimant shall be given written notice of such action within a reasonable period of time, no later than 45 days after the claim is received by the plan, unless the Claim Administrator determines that an extension of up to 30 days is necessary due to matters beyond the Plan’s control. If there is an extension, the claimant shall be notified, before the initial 45-day period of time expires, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. The 30-day extension period is tolled until the claimant responds to any information request. A second 30-day extension is also permitted if the Claim Administrator determines that, due to matters beyond the

Plan's control, a decision cannot be rendered within the first extension period. In that case, the claimant shall be notified, before the end of the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date as of which the plan expects to render a decision. Such extension notices shall specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues. The claimant shall be afforded at least 45 days within which to provide the specified information.

If a claim is denied, in whole or in part, the claimant shall be notified of the adverse benefit determination in writing. The notice of adverse benefit determination shall contain the following information:

1. the specific reason(s) for the adverse benefit determination;
2. a reference to the specific provision(s) in the Plan on which the adverse benefit determination is based;
3. a description of additional material or information necessary to perfect the claim and an explanation of why the material or information is needed;
4. a description of the Plan's claim and appeal procedures and applicable timeframes;
5. a statement of the claimant's right to bring a civil action under Section 502(a) of ERISA after the Plan's appeal procedure (set forth below) has been exhausted;
6. a discussion of the decision, including an explanation of the basis for disagreeing with or not following:
 - a. the views of health care professionals treating the claimant and vocational professionals who evaluated the claimant;
 - b. the views of medical or vocational experts obtained by the plan, without regard to whether the advice was relied upon for the adverse benefit determination; and
 - c. any Social Security Administration disability determination regarding the claimant presented to the Plan;
7. for adverse benefit determinations based on medical necessity, experimental treatment, or other similar exclusions or limits, an explanation of the scientific or clinical judgment used in the decision, or a statement that an explanation will be provided free of charge upon request;
8. either the specific rule, guideline, protocol, standards, or other similar criteria relied upon in making the adverse benefit determination, or a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist; and

9. a statement that reasonable access to and copies of all documents, records, and other information relevant to the claimant's claim for benefits are available free of charge, upon request.
- C. The following rules shall apply to medical, dental, vision, employee assistance plan or health care spending account or health reimbursement account benefits except that claims for health care spending account shall be considered "post-service" only.

1. Urgent Care Claims – Claims for which the application of non-urgent care time frames could seriously jeopardize the life or health of the patient or the ability of the patient to regain maximum function, or, in the judgment of a physician, would subject the patient to severe pain that cannot be adequately managed otherwise. The Plan shall defer to an attending provider to determine if a medical claim under Section 4.4(A) is urgent.

The Claim Administrator shall notify the claimant of the Plan's determination not later than 72 hours after receipt of the claim, unless the claimant fails to provide sufficient information to determine whether, or to what extent, benefits are covered or payable under the Plan. In the case of such a failure, the Claim Administrator shall notify the claimant as soon as possible, but not later than 24 hours after receipt of the claim by the Plan, of the specific information necessary to complete the claim. The claimant shall be afforded a reasonable amount of time, taking into account the circumstances, but not less than 48 hours, to provide the specified information. The Claim Administrator shall notify the claimant of the Plan's benefit determination as soon as possible, but no later than 48 hours after the earlier of the Plan's receipt of the specified information or the end of the period afforded the claimant to provide the specified additional information.

2. Pre-service Claims – Claims which must be decided before a patient will be afforded access to health care (e.g., preauthorization requests).

The Claim Administrator shall notify the claimant of the Plan's determination not later than 15 days after receipt of the claim. This period may be extended by 15 days, provided the Claim Administrator or its delegate determines that an extension is necessary due to matters beyond the control of the Plan and notifies the claimant within the initial period of the circumstances requiring the extension and the date by which the Plan expects to render a decision. If such an extension is necessary due to the claimant's failure to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information. The claimant shall be afforded at least 45 days from receipt of the notice within which to provide the specified information.

If the claim is improperly filed, the Claim Administrator shall notify the claimant as soon as possible, but not later than five (5) days after receipt of the claim by the Plan, of the specific information necessary to complete the claim.

3. Post-service Claims – Claims involving the payment or reimbursement of costs for medical care which has already been provided.

For non-urgent post-service health claims, the Plan has up to 30 days, to evaluate and process claims for benefits covered by ERISA. The 30-day period begins on the date the claim is first filed. This period may be extended by 15 days provided the Claim Administrator or its delegate determines that an extension is necessary due to matters beyond the control of the Plan and notifies the claimant within the initial period, of the circumstances requiring the extension and the date by which the Plan expects to render a decision. The claimant shall be afforded at least 45 days from receipt of the notice within which to provide the specified information.

4. Concurrent Care Claims – Claims where the Plan has previously approved a course of treatment over a period of time or for a specific number of treatments, and the Plan later reduces or terminates coverage for those treatments.

Concurrent care claims may fall under any of the other three categories, depending on when the appeal is made. However, the Plan must give the claimant sufficient advance notice to appeal the claim before a concurrent care decision takes effect.

5. Notification of Adverse Benefit Determination - applicable to all health claims

In the event of an adverse benefit determination, the claimant will receive notice of the determination.

If a claim is denied, in whole or in part, the claimant shall be notified of the adverse benefit determination in writing. The notice of adverse benefit determination shall contain the following information:

- a. the specific reason(s) for the adverse benefit determination;
- b. a reference to the specific provision(s) in the Plan on which the adverse benefit determination is based;
- c. a description of additional material or information necessary to perfect the claim and an explanation of why the material or information is needed;
- d. a description of the Plan's claim and appeal procedures and applicable timeframes;
- e. a statement of the claimant's right to bring a civil action under Section 502(a) of ERISA after the Plan's appeal procedure (set forth below) has been exhausted;

- f. if any internal rules, guidelines, protocols or similar criteria were used as a basis for the adverse benefit determination, either the specific rule, guideline, protocol, or other similar criteria or a statement that a copy of such information will be made available free of charge upon request;
- g. for adverse benefit determinations based on medical necessity, experimental treatment, or other similar exclusions or limits, an explanation of the scientific or clinical judgment used in the decision, or a statement that an explanation will be provided free of charge upon request; and
- h. For adverse determinations involving urgent care (for medical claims only), the notice will also include a description of the expedited review process for such claims. This notice can be provided orally within the timeframe for the expedited process, as long as written notice is provided no later than 3 days after the oral notice.

For medical claims only, the notice of adverse benefit determination shall include information sufficient to identify the claim involved, including

- i. the date of service;
- j. the health care provider;
- k. the claim amount (if applicable);
- l. the denial code and its corresponding meaning;

In addition, for medical claims only, the notice of adverse benefit determination shall include the following information:

- m. a statement that diagnosis and treatment codes (and their meanings) shall be provided upon request;
- n. description of the Plan's standard used in denying the claim;
- o. a description of the external review processes; and
- p. the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman to assist enrollees with the internal claims and appeals and external review processes.

9.9 Right to Appeal

A claimant who has received an adverse benefit determination, shall have the right to appeal the adverse benefit determination.

The following rules shall apply to claims filed with respect to an ERISA-covered benefit under the Plan.

- A. A claimant who has received an adverse benefit determination for benefits, other than the group health plan and disability benefits as described in paragraphs B and C below, or is otherwise adversely affected by action of the Claim Administrator, shall have the right to request review of the claim. Such request must be in writing and must be made within 60 days after such claimant is advised of the Claim Administrator's action. The requested review must take into account all comments, documents, records, and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. If written request for review is not made within the 60-day period, the claimant shall forfeit his or her right to review. The claimant or a duly authorized representative of the claimant may review all relevant information and submit issues, comments, documents, records, and other information in writing.

The Claim Administrator or Plan Administrator or its delegate, as applicable, shall then review the claim. It may hold a hearing if it deems it necessary and shall issue a written decision reaffirming, modifying, or setting aside its former action within a reasonable period of time, but not later than 60 days after receipt of the written request for review, unless the Plan Administrator determines that special circumstances, such as a hearing, require an extension. The claimant shall be notified in writing of any such extension within 60 days following the request for review, and such extension shall not exceed 60 days from the end of the initial period.

A copy of the review determination shall be furnished to the claimant. If the claim is denied, the review determination notice shall contain the following information:

1. the specific reason(s) for the adverse benefit determination;
2. a reference to the specific provision(s) in the Plan on which the adverse benefit determination is based;
3. a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access and copies of all relevant information;
4. a statement of the claimant's right to bring a civil action under Section 502(a) of ERISA;
5. a description of any voluntary appeals procedures offered by the Plan, if any; and
6. a statement that the claimant has the right to obtain information about the voluntary appeals process, if any.

The decision shall be final and binding upon the claimant and all other persons or entities involved, except to the extent that the Plan provides for a voluntary appeals procedure subsequent to this appeals process, or the decision is subject to judicial review.

- B. A claimant who has received an adverse benefit determination for disability benefits or is otherwise adversely affected by action of the Claim Administrator shall have the right to request review of the claim. Such request must be in writing and must be made within 180 days after such claimant is advised of the Claim Administrator's action. If written request for review is not made within the 180-day period, the claimant shall forfeit his or her right to review. The claimant or a duly authorized representative of the claimant may review all relevant information and submit issues and comments in writing.

The Claim Administrator or Plan Administrator or its delegate, as applicable, shall then review the claim. It shall issue a written decision reaffirming, modifying, or setting aside its former action within a reasonable period of time, but not later than 45 days after receipt of the written request for review, or an additional 45 days if the Plan Administrator determines that special circumstances require an extension. The claimant shall be notified in writing of any such extension before the initial period of time expires, and such notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the determination on review. The extension period is tolled until the claimant responds to any information request.

A copy of the review determination shall be furnished to the claimant. If the claim is denied, the review determination notice shall contain the following information:

1. the specific reason(s) for the adverse benefit determination;
2. a reference to the specific provision(s) in the Plan on which the adverse benefit determination is based;
3. a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access and copies of all relevant information;
4. a statement of the claimant's right to bring a civil action under Section 502(a) of ERISA;
5. a description of any voluntary appeals procedures offered by the Plan, if any;
6. a statement that the claimant has the right to obtain information about the voluntary appeals process, if any;
7. a discussion of the decision, including an explanation of the basis for disagreeing with or not following:
 - a. the views of health care professionals treating the claimant and vocational professionals who evaluated the claimant;
 - b. the views of medical or vocational experts obtained by the plan, without regard to whether the advice was relied upon for the adverse benefit determination; and

- c. any Social Security Administration disability determination regarding the claimant presented to the Plan;
8. a description of any applicable contractual limitations period, including the date on which the claim expires;
9. either the specific rule, guideline, protocol, standards, or other similar criteria relied upon in making the adverse benefit determination, or a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist; and
10. for adverse benefit determinations based on medical necessity, experimental treatment, or other similar exclusions or limits, an explanation of the scientific or clinical judgment used in the decision, or a statement that an explanation will be provided free of charge upon request.

The Plan will provide for the identification of experts whose advice was obtained on behalf of Plan in connection with an adverse determination, without regard to whether the advice was relied on in making the determination.

In deciding an appeal of any adverse benefit determination based in whole or in part on a medical judgment, the Plan Administrator will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment, and such individual shall not have been consulted in connection with the adverse benefit determination that is the subject of the appeal nor the subordinate of any such individual. In deciding an appeal, no deference will be afforded to the initial adverse benefit determination and the review of the appeal will be conducted by an appropriate named fiduciary of the Plan who is neither the individual who made the adverse benefit determination that is the subject of the appeal nor the subordinate of such individual.

The Claim Administrator will ensure that all claims and appeals for disability benefits are handled impartially. The Claim Administrator shall ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) must not be made based upon the likelihood that the individual will support an adverse benefit determination of benefits. The Claim Administrator shall ensure that health care professionals consulted are not chosen based on the expert's reputation for outcomes in contested cases, rather than based on the professional's qualifications.

A claimant shall be able to review his or her file and present information as part of the appeal. Before making a benefit determination on review, the Claim Administrator shall provide the claimant with any new or additional evidence considered or generated by the Plan, as well as any new or additional rationale to be used in reaching the decision. The claimant shall be given this information in advance of the date on which the notice of final appeal decision is made to give such claimant a reasonable opportunity to respond.

If the Plan fails to strictly adhere to the requirements in this subsection with respect to the claim, the claimant is deemed to have exhausted the Plan's administrative remedies and may pursue any remedies under Section 502(a) of ERISA. However, this shall not apply if the error was de minimis, if the error does not cause harm to the claimant, if the error was due to good cause or to matters beyond the Plan's control, if it occurs in context of good faith exchange of information, or if the error does not reflect a pattern or practice of noncompliance. If a court rejects the claimant's demand for immediate review based on the exceptions above, the claim will be considered as refiled on appeal upon receipt of the court's decision, and the plan will notify the claimant of the resubmission.

The decision shall be final and binding upon the claimant and all other persons or entities involved, except to the extent that the Plan provides for a voluntary appeals procedure subsequent to this appeals process, or the decision is subject to judicial review.

- C. A claimant who has received an adverse benefit determination for medical, dental, vision, employee assistance plan, health care spending account or health reimbursement account benefits or is otherwise adversely affected by action of the Claim Administrator, shall have the right to request review of the claim. Such request must be in writing and must be made within 180 days after such claimant is advised of the Claim Administrator's action. If written request for review is not made within the 180-day period, the claimant shall forfeit his or her right to review. The claimant or a duly authorized representative of the claimant may review all relevant information and submit issues and comments in writing.

The Claim Administrator or Plan Administrator or its delegate, as applicable, shall then review the claim. It shall issue a written decision reaffirming, modifying, or setting aside its former action within a reasonable period of time, but not later than:

1. for urgent health claims, as soon as possible considering the medical situation, but no later than 72 hours,
2. for pre-service claims, within a reasonable period of time given the medical situation, but no later than 30 days (or 15 days following each appeal if there are two mandatory appeals),
3. for post-service claims, within a reasonable period of time, but not later than sixty (60) days after receipt of the request for review (or 30 days following each appeal if there are two mandatory appeals).

If a claim for medical benefits is an urgent health claim or a claim requiring an ongoing course of treatment, the claimant may begin an expedited external review, as described in Section 9.10, before the Plan's internal appeals process has been completed.

Medical coverage as described in Section 4.4(A) shall continue pending the outcome of an internal appeal.

A copy of the review determination shall be furnished to the claimant. If the claim is denied, the review determination notice shall contain the following information:

4. the specific reason(s) for the adverse benefit determination;
5. a reference to the specific provision(s) in the Plan on which the adverse benefit determination is based;
6. a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access and copies of all relevant information;
7. a statement of the claimant's right to bring a civil action under Section 502(a) of ERISA;
8. a description of any voluntary appeals procedures offered by the Plan, if any;
9. a statement that the claimant has the right to obtain information about the voluntary appeals process, if any, and information as to how the claimant may obtain information about alternative dispute resolution options from the Department of Labor or state regulators;
10. if any internal rules, guidelines, protocols or similar criteria were used as a basis for the adverse benefit determination, either the specific rule, guideline, protocol, or other similar criteria or a statement that a copy of such information will be made available free of charge upon request;
11. for adverse benefit determinations based on medical necessity, experimental treatment, or other similar exclusions or limits, an explanation of the scientific or clinical judgment used in the decision, or a statement that an explanation will be provided free of charge upon request; and
12. for adverse determinations involving urgent care, the notice will also include a description of the expedited review process for such claims (for medical claims only). This notice can be provided orally within the timeframe for the expedited process, as long as written notice is provided no later than 3 days after the oral notice.

For claims for medical benefits, the notice of adverse benefit determination shall include information sufficient to identify the claim involved, including

13. the date of service;
14. the health care provider;
15. the claim amount (if applicable);
16. the denial code and its corresponding meaning;
17. In addition, for medical claims only, the notice of adverse benefit determination shall include the following information:

18. a statement that diagnosis and treatment codes (and their meanings) shall be provided upon request;
19. description of the Plan's standard used in denying the claim;
20. a description of the external review processes; and
21. the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman to assist enrollees with the internal claims and appeals and external review processes.

Upon request by the claimant, the Plan will provide for the identification of experts whose advice was obtained on behalf of Plan in connection with an adverse determination, without regard to whether the advice was relied on in making the determination.

In deciding an appeal of any adverse benefit determination based in whole or in part on a medical judgment, the Plan Administrator shall consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment, and such individual shall not have been consulted in connection with the adverse benefit determination that is the subject of the appeal nor the subordinate of any such individual. In deciding an appeal, no deference shall be afforded to the initial adverse benefit determination and the review of the appeal shall be conducted by an appropriate named fiduciary of the Plan who is neither the individual who made the adverse benefit determination that is the subject of the appeal nor the subordinate of such individual.

The Claim Administrator will ensure that all claims and internal appeals for medical benefits are handled impartially. The Claim Administrator shall ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) must not be made based upon the likelihood that the individual will support an adverse benefit determination of benefits. The Claim Administrator shall ensure that health care professionals consulted are not chosen based on the expert's reputation for outcomes in contested cases, rather than based on the professional's qualifications.

In connection with an internal appeal of a medical claim, a claimant shall be able to review his or her file and present information as part of the review. Before making a benefit determination on review, the Claim Administrator shall provide the claimant with any new or additional evidence considered or generated by the Plan, as well as any new or additional rationale to be used in reaching the decision. The claimant shall be given this information in advance of the date on which the notice of final appeal decision is made to give such claimant a reasonable opportunity to respond.

For medical claims only, if the Plan fails to strictly adhere to all the requirements of the internal claims and appeals process with respect to the claim, the claimant is deemed to have exhausted the internal claims and appeals process and may request an expedited external review before the Plan's internal appeals process

has been completed. However, this shall not apply if the error was de minimis, if the error does not cause harm to the claimant, if the error was due to good cause or to matters beyond the Plan's control, if it occurs in context of good faith exchange of information, or if the error does not reflect a pattern or practice of noncompliance. In that case, the claimant may resubmit the claim for internal review and the claimant may ask the Plan to explain why the error is minor and why it meets this exception.

The decision shall be final and binding upon the claimant and all other persons or entities involved, except to the extent that the Plan provides for a voluntary appeals procedure subsequent to this appeals process, or the decision is subject to judicial review.

9.10 Right to an External Review of Claims

To the extent required by PPACA, as amended by HCERA and as interpreted by applicable guidance and regulations from the relevant government agencies, the following rules shall apply to claims filed for benefits under Section 4.4(A) of the Plan. This Section 9.10 shall not be interpreted to give claimants any rights to external review beyond what is expressly required under applicable laws and regulations (i.e., PPACA, as amended by HCERA; and the No Surprises Act provisions of the CAA) and as interpreted by applicable guidance and regulations from the relevant government agencies. This Section 9.10 is not applicable to any other benefits offered under the Plan.

The claimant shall be entitled to request an external review of a medical claim involving medical judgment, as determined by the external reviewer; coverage rescission; or in the event there is a question as to whether a claim should have been subject to surprise billing protections, as required by the No Surprises Act provisions of the CAA, provided the claimant requests the external review within four (4) months of the date of receipt of an adverse benefit determination. If the claimant's request for an external review is determined eligible for such a review, an independent organization shall review the Claim Administrator's decision and provide the claimant with a written determination, as described in the Incorporated Documents.

The external review decision is binding on the claimant and the Plan, except to the extent that other remedies are available under federal law.

The external review process does not apply to an adverse benefit determination or final internal adverse benefit determination that is not related to medical judgment, coverage rescission, or a determination whether the claim should have been subject to surprise billing protections.

9.11 Legal Remedy

Before pursuing a legal remedy, a claimant shall first exhaust all claims, review, and appeals procedures required under the Plan.

9.12 Subrogation, Reimbursement and Recovery for Third Party Liability

- A. This Section shall govern with respect to Plan benefits for injuries or illnesses of Covered Persons related to a third party's actions or inactions.

With respect to benefits provided on an insured basis, to the extent that conflicting subrogation, reimbursement or recovery provisions exist in an Incorporated Document, such provisions in the Incorporated Document shall govern.

With respect to benefits provided on a self-insured basis, to the extent that any Incorporated Document also contains subrogation, reimbursement, or recovery provisions, this subsection and the applicable Incorporated Document will both apply so as to grant the Plan the greatest possible rights with respect to subrogation, reimbursement, and recovery.

B. Subrogation

If a Covered Person becomes injured or ill because of the actions or inactions of a third party, the Plan shall have the right to pursue a claim against the third party for expenses paid by the Plan related to such injury or illness. The Plan's right of recovery applies to the extent the Plan has paid expenses related to the injury or illness, regardless of whether any related settlement or other third-party payment states that the payment (all or part of it) is for health care expenses or of any allocation or itemization of such recovery to specific types of injuries.

By accepting Plan benefits to pay for treatments, devices or other products or services related to such injury or illness, the Covered Person agrees to place such third-party payments in Covered Person's separate identifiable account (in an amount equal to related expenses paid by the Plan or, if less, the full third-party payment amount) and that the Plan has an equitable lien on such funds, without regard to whether the Covered Person has been made whole or fully compensated for the injury or illness. The Covered Person also agrees to serve as a constructive trustee over the funds until the time they are paid to the Plan. The Covered Person further agrees to cooperate with the Plan's recovery efforts and do nothing to prejudice the Plan's recovery rights.

The Plan's right of subrogation will apply to the first dollar of any recovery obtained from the third-party, without regard to whether the Covered Person has been made whole or fully compensated for the injury or illness, and shall not be subject to the principles of unjust enrichment, assertion of a "common fund" doctrine or its equivalent or any other equitable defenses. At its option, the Plan may file suit or intervene in any pending lawsuit to secure and protect its rights on any third-party recovery. The Plan is not required to participate in or contribute to any expenses or fees (including attorney's fees and costs) incurred in obtaining the funds.

C. Plan's Right of Recovery

If a Covered Person becomes injured or ill because of the actions or inactions of a third party, the Plan shall have the right to recover related Plan expenses out of any payments made by (or on behalf of) the third party (whether by lawsuit, settlement, no-fault automobile insurance statute or otherwise) to or on behalf of a Covered Person. The Plan's right of recovery applies to the extent the Plan has paid expenses related to the injury or illness, regardless of whether any related settlement or other third-party payment states that the payment (all or part of it) is for health care expenses, regardless of the label assigned to the recovery and regardless of the allocation or itemization of such recovery to specific types of

injuries. The Plan may require the Covered Person to sign a reimbursement agreement in a form acceptable to the Plan Administrator, but whether or not such an agreement is executed, in the event that the Plan provides benefits and the Covered Person receives a third-party payment as described in this paragraph, the Covered Person shall immediately reimburse the Plan for the lesser of the amount of the third-party payment or the full amount of all benefits paid by the Plan.

By accepting Plan benefits to pay for treatments, devices or other products or services related to such injury or illness, the Covered Person agrees to place such third-party payments in Covered Person's separate identifiable account (in an amount equal to related expenses paid by the Plan or, if less, the full third-party payment amount) and that the Plan has an equitable lien on such funds, without regard to whether the Covered Person has been made whole or fully compensated for the injury or illness. The Covered Person also agrees to serve as a constructive trustee over the funds until the time they are paid to the Plan. Covered Person further agrees to cooperate with the Plan's recovery efforts and do nothing to prejudice the Plan's recovery rights.

The Plan is not required to participate in or contribute to any expenses or fees (including attorney's fees and costs) incurred in obtaining the funds.

D. Cooperation

If so requested by the Claim Administrator, the Covered Person (or if a minor, his or her parent or legal guardian) shall:

1. provide proof, satisfactory to the Claim Administrator, that no right, claim, interest or cause of action against a third party has been, or will be, discharged or released without the written consent of the Claim Administrator;
2. execute a written agreement assigning to the Plan all rights, claims, interests, and causes of action that the Covered Person has against a third party in connection with the expenses paid by the Plan;
3. notify the Plan within 30 days of the date any notice is given by any party, including an attorney, of an intent to pursue or investigate a claim to recover damages or obtain compensation due to sustained injuries or illness;
4. provide all information requested by the Plan, the Claim Administrator, or their representatives;
5. authorize the Plan, in writing, to sue, compromise or settle, in the Covered Person's name or otherwise, all rights, claims, interests, or causes of action to the extent of benefits paid by the Plan and shall do nothing to prejudice the rights given to the Plan under this section; and
6. agree, in writing, to assist the Plan in prosecuting any rights, interests, claims, or causes of action that have been assigned to the Plan against a

third party, including, if requested by the Claim Administrator or Plan Administrator, the institution of a formal proceeding against a third party.

E. Enforcement of Plan's Subrogation and Recovery Rights

Should it be necessary for the Plan to institute proceedings against the Covered Person for failure to reimburse the Plan or to otherwise honor the Plan's equitable interest in obtaining amounts described in this Section, the Covered Person shall be liable for the costs of collection relating to such failure, including reasonable attorney's fees.

The Plan shall have the right to terminate a Covered Person's participation in the Plan or offset future benefits to which a claimant (or a Covered Person through whom the claimant derives his or her claim) may be entitled, until the amount otherwise due the Plan under this Section, plus interest, has been received by the Plan.

The Plan's rights under this Section shall be enforceable regardless of whether the third party admits liability for the injury or illness to a Covered Person, and shall remain enforceable against the heirs and estate of any Covered Person.

9.13 Payment Procedures

A. Payment of Claim

Subject to Section 12.4, benefits shall be payable to the claimant upon establishment of the right thereto.

B. Facility of Payment

If a claimant dies before all amounts payable under the Plan have been paid, or if the Plan Administrator determines that the claimant is a minor or is incompetent or incapable of executing a valid receipt and no guardian or legal representative has been appointed, or if the claimant fails to provide the Plan with a forwarding address, the amount otherwise payable to the claimant may be paid to any other person or institution reasonably determined by the Plan Administrator to be entitled equitably thereto and without prejudice therefor. Any payment made in accordance with this provision shall discharge the obligation of the Plan hereunder to the extent of such payment.

C. Forfeiture

The Plan Administrator shall take reasonable steps to ascertain the whereabouts of a claimant so as to affect delivery of benefits payable under the Plan. If a claimant has not collected benefits payable to him or her within 15 months from the date the claim was filed, the Plan Administrator may, three months after sending by certified mail a written notice of benefits to the last known address of such claimant as shown on the records of the Administrator, deem the claimant's right to such benefit waived. Upon such waiver, the Plan shall have no liability for payment of the benefit otherwise payable.

- J. pay all reasonable and appropriate expenses incurred in connection with the management and administration of the Plan including, but not limited to, premiums or other considerations payable under the Plan and fees and expenses of any actuary, accountant, legal counsel, or other specialist engaged by the Plan Administrator.

10.4 Finality of Decisions

The Plan Administrator shall have full power, authority and discretion to enforce, construe, interpret and administer the Plan. All decisions and determinations of the Plan Administrator with respect to any matter hereunder shall be conclusive and binding on Covered Persons and all other interested parties.

10.5 Compensation and Bonding of Plan Administrator

Unless otherwise agreed to by the Company, the Plan Administrator shall serve without compensation for services as such, but all reasonable expenses incurred in the performance of the Plan Administrator's duties shall be paid as specified in Article XII. Unless otherwise determined by the Company or unless required by federal or state law, the Plan Administrator shall not be required to furnish bond or other security in any jurisdiction.

10.6 Liability Insurance

The Company may obtain liability coverage at the Company's expense to insure any Employee serving as Plan Administrator against legal liability that may arise from being the Plan Administrator or performing the Plan Administrator's duties.

- A. to adopt the Plan;
- B. to amend, terminate, or merge the Plan according to Article XI; and

Except as provided in Section 11.3, the Company reserves the unlimited right to amend the Plan in any way. Any amendment to the Plan shall be in writing and shall be adopted by the Company in accordance with its normal procedures. However, the Plan Administrator shall have the authority to amend the Plan to comply with applicable law or regulation or to reflect the Company's intent.

11.2 Right to Terminate or Merge the Plan

Notwithstanding that the Plan is established with the intention that it be maintained indefinitely, the Company (or its duly authorized representative) reserves the unlimited right to terminate or merge the Plan. Any termination or merger of the Plan shall be in writing and shall be adopted by the duly authorized representative of the Company acting in accordance with its regular duties for the Company.

11.3 Effect of Amendment, Termination or Merger

Any amendment, termination or merger of the Plan shall be effective at such date as the Company shall determine. If no date is specified by the Company in the written instrument amending, terminating or merging the Plan, the amendment, termination or merger shall be effective upon the date that the written instrument is adopted or executed.

In the event that the Plan is terminated, plan assets will be used for the benefit of participants and beneficiaries or to defray reasonable administrative expenses, as applicable.

ARTICLE XII
MISCELLANEOUS

12.1 No Employment Rights

The Plan is a voluntary undertaking of the Employer and does not constitute a contract with any person. The Plan is not an inducement or condition of an Employee's employment with any Employer. Neither the establishment of the Plan, nor any modification thereof, nor any payments hereunder, shall be construed as giving to any Employee or any other person, any legal or equitable rights against his or her Employer, the Company or their shareholders, directors, officers, employees or agents, or as giving any person the right to be retained in the employ of the Employer.

12.2 Exclusive Rights

No individual shall have a right to benefits under the Plan except as specified herein; and in no event shall any right to benefits under the Plan be or become vested. This Plan is not a guarantee of continuation of any benefits or coverage offered through the Plan.

12.3 No Property Rights

No one has any right, title, or interest in the property of the Company or the Employer by virtue of the Plan, nor is any person entitled to interest on any benefit amounts that may be allocated or available to him or her.

12.4 No Assignment of Benefits

Except when the Plan is required by law or applicable guidance to recognize an assignment of Benefits to a State Medicaid program, Benefits payable under the Plan and the right to assert legal or equitable rights, including but not limited to bringing an administrative claim for benefits, action under state law or filing a lawsuit against the Plan, the Plan Administrator, a Claim Administrator, or any Plan fiduciary, or the Company and Participating Employers, or officers, shareholders or employees thereof, shall not be subject in any manner to liability, anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge of any kind, and any attempt to effect same shall be void. This includes, but is not limited to, any attempt by a Covered Person to assign his or her right to receive Plan benefits and legal rights relating to the Plan—including any rights to bring an administrative claim or lawsuit—to any other party, including any health care provider; such assignment is not permitted under the Plan and is void. The Plan reserves the right to make payment directly to the Covered Person, or, solely at the discretion of the Plan Administrator or the Claim Administrator, directly to a doctor, hospital, or other provider of health care. Where payments are made directly to a doctor, hospital, or other provider of health care, such direct payments are provided at the discretion of the Plan Administrator or Claim Administrator and do not imply or create an enforceable assignment of benefits or the right to receive such benefits or the right to assert any legal or equitable rights (including but not limited to claims for breach of fiduciary duty or the right to bring an injunction), or to bring any administrative claim, action under state law or lawsuit against the Plan, the Plan Administrator, a Claim Administrator, or any Plan fiduciary, or the Company and Participating Employers, or officers, shareholders or employees thereof, under any federal or state law, including ERISA.

12.5 Right to Offset Future Payments

In the event a payment or the amount of a payment is made erroneously to an individual, the Plan shall have the right to reduce future payments payable to or on behalf of such individual by the amount of the erroneous or excess payment. This right to offset shall not limit the right of the Plan to recover an erroneous or excess payment in any other manner.

12.6 Right to Recover Payments

Whenever a payment has been made by the Plan, including erroneous payments, in a total amount in excess of the amount payable under the Plan, irrespective of to whom paid, the Plan shall have the right to recover such payments, to the extent of the excess, from the person to or for whom the payment was made.

12.7 Misrepresentation or Fraud

A Covered Person who receives benefits under the Plan as a result of false, incomplete, or incorrect information or a misleading or fraudulent representation may be required to repay all amounts paid by the Plan and may be liable for all costs of collection, including attorney's fees and court costs. The Plan Administrator shall decide such matters on a case by case basis. An Employee may be asked to provide proof of eligibility for his or her Dependents. If a Covered Person makes any intentional misrepresentation or uses fraudulent means concerning eligibility for coverage, changing existing coverage, or benefits under the Plan, the Employee's and his or her Dependents' coverage may be terminated irrevocably (retroactively to the extent permitted by law), and could be grounds for Employee discipline up to and including termination. Failure to provide timely notice of loss of eligibility will be considered intentional misrepresentation.

12.8 Legal Action

Before pursuing legal action, a person claiming Plan benefits or seeking redress related to the Plan must first exhaust the Plan's claim, review, and appeal procedures. Unless otherwise provided by law, the Company and the Plan Administrator are the only necessary parties to any action or proceeding that involves the Plan or its administration. No Employee, Employer, or other person or entity is entitled to notice of any legal action, unless a court with appropriate jurisdiction orders otherwise.

Unless an Incorporated Document specifies a shorter timeframe, no action at law or in equity in any court or agency shall be brought to recover benefits under the Plan prior to the exhaustion of the claims and appeals procedures set forth in Article IX, nor shall an action be brought at all unless within 36 months after the date a claim is incurred under the Plan.

12.9 Governing Law

The provisions of the Plan shall be administered, and all questions pertaining to the validity or construction of the Plan and the acts and transactions of the parties shall be determined, construed, and enforced, in accordance with applicable and, to the extent not preempted, the laws of the State of Arizona.

12.10 Governing Instrument

This document, together with any documentation incorporated by reference herein, is the legal instrument governing the Plan. In case of conflict between this document and any other writing or evidence, the terms of this document shall govern.

12.11 Savings Clause

If a provision of the Plan or the application of a provision of the Plan to any person, entity, or circumstance is held invalid under governing law by a court of competent jurisdiction, the remainder of the Plan and the application of the provision to any other person, entity, or circumstance shall not be affected.

12.12 Captions and Headings

The captions and headings of an Article, Section or provision of the Plan are for convenience and reference only and are not to be considered in interpreting the terms and conditions of the Plan.

12.13 Notices

No notice or communication in connection with the Plan made by a claimant or an Employee shall be effective unless duly executed on a form provided or approved by, and filed with, the appropriate Plan Administrator (or his or her representative).

12.14 Waiver

No term, condition, or provision of the Plan shall be deemed waived unless the purported waiver is in a writing signed by the party to be charged. No written waiver shall be deemed a continuing waiver unless so specifically stated in the writing, and only for the stated period, and such waiver shall operate only as to the specific term, condition, or provision waived.

12.15 Parties' Reliance

The Company, the Employer, the Plan Administrator and anyone to whom the Plan's operation or administration is delegated may rely conclusively on any advice, opinion, valuation, or other information furnished by any actuary, accountant, appraiser, legal counsel, or physician the Plan engages or employs. A good faith action or omission based on this reliance is binding on all parties, and no liability can be incurred for it except as the law requires. No liability shall be incurred for any other action or omission of the Company, the Employer or their employees, except for willful misconduct or willful breach of duty to the Plan.

12.16 Disclaimer

The Company makes no assertion or warranty about:

- A. health care services and supplies that Covered Persons obtain reimbursement for as Plan benefits, or

- B. whether Plan benefits are or will be excludable from a Covered Employee's gross income for federal or state income tax purposes, or
- C. whether any other tax treatment is or will be applicable.

12.17 Expenses

All expenses of the Plan shall be paid from forfeitures, Employee contributions, or by the Plan, unless otherwise paid by the Employer. The Employer may advance expenses to the Plan, subject to reimbursement, without obligating itself to pay such expenses.

12.18 Indemnification

The Employer, to the extent permitted by law, shall indemnify and hold harmless any employee or officer or shareholder of the Company or the Employer from and against all loss, damages, liability and reasonable costs and expenses incurred in carrying out his or her responsibilities under the Plan, unless due to the bad faith or willful misconduct of such person, provided that such individual's attorney's fees and any amount paid in settlement shall be approved by the Company.

12.19 Employees' Tax Obligations

A. Excludability Determination

Covered Employees themselves must determine whether Plan benefits are excludable for tax purposes, and must notify the Plan Administrator if they have reason to believe a payment is not excludable.

B. Liability and Payment

If the Plan Administrator determines at any time after a Plan Year's end that Employees' Salary Reduction Contributions or Salary Deduction Contributions or other Employer contributions exceeded limits allowed by law for any reason including, but not limited to, erroneous information, administrative error, or a final determination that the Plan does not qualify as a cafeteria plan under Code Section 125 for the Plan Year, then Covered Employees must:

1. pay any local, state, and federal income taxes and related penalties and interest due with respect to the excess Salary Reduction Contributions or other Employer contributions for which the Covered Employee is liable, and
2. reimburse the Employer for the Employee's share of any local, state, and federal tax contributions the Employer would have withheld or other applicable deductions the Employer would have taken had the excess Salary Reduction Contributions or other Employer contributions been treated as taxable income.

ARTICLE XIII
HIPAA PRIVACY AND SECURITY

13.1 Scope

The provisions of this Article XIII shall apply to any self-insured group health plan Benefit and any insured group health plan Benefit from which the Plan Sponsor receives Protected Health Information.

13.2 Definitions

For purposes of this Article XIII, the following terms have the following meanings:

- A. “Business Associate” means a person or entity that performs a function or activity regulated by HIPAA on behalf of the group health plans provided under the Plan and involving individually identifiable health information. Examples of such functions or activities are claims processing, legal, actuarial, accounting, consulting, data aggregation, management, administrative, accreditation and financial services. A Business Associate may be a Covered Entity. However, Insurers and HMOs are not Business Associates of the plans they insure. A person or entity that transmits PHI to a covered entity (or its business associate) and routinely requires access to that PHI may also be a business associate. Examples of such entities include health information exchange organizations, regional health information organizations and e-prescribing gateways. Vendors that contract with covered entities offering certain personal health records to individuals may also be considered business associates, and vendors that contract with Business Associates (“subcontractors”) and require or have access to PHI or ePHI on a routine basis may also be Business Associates with respect to the Plan.
- B. “Covered Entity” means a group health plan (including an employer plan, Insurer, HMO and government coverage such as Medicare); a health care provider (such as a doctor, hospital or pharmacy) that electronically transmits any health information in connection with a transaction for which the U.S. Department of Health and Human Services has established an electronic data interchange standard; and a health care clearinghouse (an entity that translates electronic information between nonstandard and HIPAA standard transactions).
- C. “Protected Health Information or PHI” means individually identifiable health information transmitted by electronic media, maintained in electronic media, or transmitted or maintained in any other form or medium. Information is “individually identifiable” if it names the individual person or there is a reasonable basis to believe components of the information could be used to identify the individual. “Health Information” means information, including genetic information, whether oral or recorded in any form or medium, that (i) is created by a health care provider, health care plan, employer, life insurer, public health authority, health care clearinghouse, or school or university; and (ii) relates to the past, present, or future physical or mental health or condition of a person, the provision of health care to a person; or the past, present or future payment for health care.

13.3 Uses and Disclosures of PHI

The Plan may disclose a Covered Employee's PHI or ePHI to the Plan Sponsor (or to the agent of the Plan Sponsor) for the plan administration functions under 45 CFR 164.504(a), to the extent not inconsistent with the HIPAA regulations. The Plan will not disclose PHI or ePHI to the Plan Sponsor except upon receipt of a certification by the Plan Sponsor that the Plan incorporates the agreements of Sections 13.4 and 13.5, except as otherwise permitted or required by law.

13.4 Privacy Agreements of the Plan Sponsor

As a condition for obtaining PHI from the Plan and its Business Associates the Plan Sponsor agrees it will:

- A. Not use or further disclose such PHI other than as permitted by Section 13.3, as permitted by 45 CFR 164.508, 45 CFR 164.512, and other sections of the HIPAA regulations, or as required by law;
- B. Ensure that any of its agents, including a subcontractor, to whom it provides the PHI agree to the same restrictions and conditions that apply to the Plan Sponsor with respect to such information;
- C. Not use or disclose the PHI for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor;
- D. Report to the Plan any use or disclosure of the PHI that is inconsistent with the uses or disclosures provided for of which the Plan Sponsor becomes aware, including reporting any breach of unsecured PHI;
- E. Make the PHI of a particular participant available for purposes of the participant's requests for inspection, copying, and amendment, and carry out such requests in accordance with HIPAA Regulation 45 CFR 164.524 and 164.526;
- F. Make the PHI of a particular participant available for purposes of required accounting of disclosures by the Plan Sponsor pursuant to the participant's request for such an accounting in accordance with HIPAA Regulation 45 CFR 164.528;
- G. Make the Plan Sponsor's internal practices, books, and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance by the Plan with HIPAA;
- H. If feasible, return or destroy all PHI received from the Plan that the Plan Sponsor still maintains in any form and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, the Plan Sponsor agrees to limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and

- I. Ensure that there is adequate separation between the Plan and the Plan Sponsor by implementing the terms of subparagraphs (1) through (3), below:
 1. Employees With Access to PHI: The employees, classes of former employees or other individuals under the control of the Plan Sponsor listed in Appendix D and/or in a separately maintained access control list are the only individuals that may access PHI received from the Plan.
 2. Use Limited to Plan Administration: The access to and use of PHI by the individuals described in (1), above, is limited to plan administration functions as defined in HIPAA Regulation 45 CFR 164.504(a) that are performed by the Plan Sponsor for the Plan.
 3. Mechanism for Resolving Noncompliance: If the Plan Sponsor or the persons listed in Appendix D who are responsible for monitoring compliance determine that any person described in (1), above, has violated any of the restrictions of this Article XIII, then such individual shall be disciplined in accordance with the policies of the Plan Sponsor established for purposes of privacy and security compliance, up to and including dismissal from employment. The Plan Sponsor shall arrange to maintain records of such violations along with the persons involved, as well as disciplinary and corrective measures taken with respect to each incident.

- J. Notify participant(s) of an unauthorized acquisition, access, use or disclosure of PHI that compromises the security or privacy of the information (a "Breach") without unreasonable delay in a report which includes the following information:
 1. the circumstances surrounding the Breach;
 2. the date of the Breach and the date of its discovery;
 3. the information Breached;
 4. any steps the impacted individuals should take to protect themselves;
 5. the steps the Plan Sponsor is taking to investigate the Breach, mitigate losses, and protect against future Breaches; and
 6. a contact person who can provide additional information about the Breach.

The Plan Sponsor will cooperate with participant(s) in the investigation of, and response to, the Breaches it reports to participant(s). For this purpose, the term "Breach" means an unauthorized acquisition, access, use or disclosure of PHI that compromises the security or privacy of the information.

Notwithstanding the foregoing, the terms of this Article XIII shall not apply to uses or disclosures of Enrollment, Disenrollment, and Summary Health Information made pursuant to 45 CFR 164.504(f)(1)(ii) or (iii); of PHI released pursuant to an Authorization that complies with 45 CFR 164.508; or in other circumstances as permitted by the HIPAA regulations.

13.5 Security Agreements of the Plan Sponsor

As a condition of obtaining e-PHI from the Plan, its Business Associates, Insurers and HMOs, the Plan Sponsor agrees it will:

- A. Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic protected health information that it creates, receives, maintains, or transmits on behalf of the Plan;
- B. Ensure that the adequate separation between the Plan and the Plan Sponsor as set forth in 45 CFR 164.504(f)(2)(iii) is supported by reasonable and appropriate security measures;
- C. Ensure that any agent, including a subcontractor, to whom it provides this information agrees to implement reasonable and appropriate security measures to protect the information;
- D. Report to the Plan any security incident of which it becomes aware. For purposes of this Amendment, security incident shall mean successful unauthorized access, use, disclosure, modification or destruction of, or interference with, the e-PHI; and
- E. Upon request from the Plan, the Plan Sponsor agrees to provide information to the Plan on unsuccessful unauthorized access, use, disclosure, modification or destruction of the e-PHI to the extent such information is available to the Plan Sponsor.

a. \$5,000 (or \$2,500 for a married Covered Employee filing a separate federal income tax return),

or, if less,

b. the Covered Employee's *earned income* (or if less, the Covered Employee's Spouse's *earned income*, if the Covered Employee was married at the end of his or her tax year).

Earned income means wages, salaries, tips, and other compensation, to the extent such amounts are includible in taxable income for the year, like strike benefits, disability pay reported as wages, and net earnings from self-employment.

Earned income does not include pensions, annuities, social security payments, workers' compensation, unemployment compensation, or a nonresident alien's income not connected with United States business.

Earned income is computed without considering community property laws.

Earned income of a Spouse who is a full-time student, as defined in Section 4.4, or who is *physically or mentally incapable of caring for him or herself*, as defined in Article II of this Appendix, is deemed to be not less than \$250 per month for Covered Employees with one Qualifying Individual or \$500 per month for Covered Employees with two or more Qualifying Individuals.

3. Reporting Identifying Information Limit

Plan reimbursement for Dependent Care Expenses is excludable from a Covered Employee's gross income only if the Covered Employee reports on the federal income tax return to which the exclusion relates, the name, address, and taxpayer identification number (or other information acceptable to comply with federal reporting requirements) of each dependent care service provider furnishing dependent care services to the Covered Employee during the year.

ARTICLE V
EXCLUSIONS

5.1 General Rules

- A. The Plan pays only those Dependent Care Expenses incurred by an Employee:
1. during the current Plan Year,
 2. while the Employee is a Covered Employee, and
 3. to allow the Covered Employee (and Spouse, if married) to continue gainful employment (or, if married and the Spouse is unemployed, to allow the Covered Employee's Spouse to actively seek gainful employment or be a full-time student, as defined in Section 4.4, unless the Spouse is described in Section 2.8(B) of this Appendix).
- B. Except as provided in Section 5.1(A)(3), the Plan does not reimburse amounts paid for Dependent Care Expenses incurred while a Covered Employee (or Spouse, if married) is off work for any reason, including illness or vacation. However, if Dependent Care Expenses are paid to the dependent care services provider on a weekly or longer basis, Dependent Care Expenses incurred during a temporary absence from work for illness or vacation will not be subject to this exclusion.

5.2 Specific Exclusions

The Plan does not reimburse amounts paid in connection with:

- A. a Qualifying Individual's overnight camp;
- B. services rendered by:
1. a Covered Employee's (and if married, the Covered Employee's Spouse's) child (within the meaning of Code Section 152(c)(3)) under age 19 at the Plan Year's end,
 2. a Covered Employee's Spouse or parent of the Covered Employee's child, or
 3. a person for whom the Covered Employee (or if married, the Covered Employee's Spouse) is entitled to a federal income tax deduction under Code Section 151(c) for the Covered Employee's tax year.

5.3 Conditional Exclusions

Unless incidental, minimal, and inseparable from the cost of caring for a Qualifying Individual, the Plan shall not pay any charges in connection with a Qualifying Individual's:

- A. food,

- B. clothing,
- C. entertainment,
- D. education (kindergarten and above), or
- E. transportation between the Covered Employee's home and the place where dependent care is provided unless such transportation is furnished by the dependent care provider.

ARTICLE VI

Employees may enroll and make elections only by filing the appropriate, completed forms with the Plan Administrator within prescribed time limits. Rules and deadlines for enrolling and making or changing elections are stated in the Cafeteria Plan.

6.2 Claim Procedures

No claim for benefits shall be payable unless a properly completed claim, including all necessary documentation of services received, is received by the Claim Administrator by 90 days following the Plan Year to which the claim relates, or, if earlier, within 90 days of the last day on which the claimant is a Covered Employee. This period of time may be referred to as the "Runout Period."

6.3 Claim Administrator

The Plan Administrator and/or the Company shall have the authority to appoint, remove, and replace one or more Claim Administrators. A Claim Administrator shall have the duties, powers, and responsibilities set forth herein. In the absence of such an appointment and except as hereinafter provided, the Plan Administrator shall also be the Claim Administrator.

6.4 Claims Administration

The Claim Administrator shall have the duty to receive and review claims for benefits under the Plan, to determine what amount, if any, is due and payable under the terms and conditions of the Plan, and to make appropriate disbursements of benefit payments to persons entitled thereto.

6.5 Proof of Claim

As a condition of receiving Plan benefits, claimants must:

- A. submit to the Plan Administrator:
 - 1. a properly completed and timely filed claim form,
 - 2. a written declaration stating the dependent care expense has not been reimbursed and is not reimbursable under any other dependent care plan, and
 - 3. a written declaration from an independent third party stating the Covered Employee has incurred the dependent care expense and the amount of such expense; and
- B. prove any claimed status.

APPENDIX F
CARLISLE, LLC
HEALTH SAVINGS ACCOUNT
ARTICLE I
PLAN ESTABLISHMENT

1.1 Trustee/Custodial Agreement

Health Savings Account benefits under the Cafeteria Plan consist solely of the ability to make contributions to the Health Savings Account pursuant to the Salary Reduction Agreement. Terms and conditions of coverage and benefits (e.g., eligible medical expenses, claims procedures, etc.) will be provided by the applicable trustee/custodian for the Health Savings Account, not this Cafeteria Plan. The terms and conditions of each Covered Employee's Health Savings Account trust or custodial account are described in the Health Savings Account trust or custodial agreement provided by the applicable trustee/custodian to each electing Covered Employee and are not a part of this Plan.

1.2 Health Savings Account Not Intended to be an ERISA Plan

The Health Savings Account is not an employer-sponsored employee benefits plan. It is a savings account that is established and maintained by a Health Savings Account trustee/custodian outside this Plan to be used primarily for reimbursement of "qualified medical expenses" as set forth in Code Section 223(d)(2). The Employer has no authority or control over the funds deposited in a Health Savings Account. Even though this Cafeteria Plan may allow contributions to a Health Savings Account through salary reductions, the Health Savings Account is not intended to be an ERISA benefit plan sponsored or maintained by the Employer.

1.3 Incorporation By Reference

The term Cafeteria Plan as used in this Appendix means the Cafeteria Plan as defined in Section 1.3 of the Group Health and Life Plan of Carlisle Companies. The terms of the Cafeteria Plan are incorporated by reference wherever they apply to this Plan's operation, to the extent such provisions do not conflict with the provisions of this Plan.

ARTICLE II
DEFINITIONS

In this Appendix, references to an Article or Section refer to an Article or Section of this Appendix, unless otherwise specified. When capitalized in this document, these words and phrases have the following meanings:

2.1 Covered Employee

Covered Employee means an Employee who satisfies the participation requirements of Article III.

2.2 Health Savings Account (HSA)

An individual trust or custodial account established under Code Section 223 by a Covered Employee with a trustee/custodian that has contracted with the Company to receive pre-tax salary reduction contributions. Although funded by Salary Reduction Contributions under the Cafeteria Plan, the Health Savings Account is not part of or intended to be part of an ERISA-covered benefit plan.

ARTICLE III
PARTICIPATION

3.1 Participation

An Employee is a Covered Employee and participates in the Health Savings Account during those periods in which the Employee:

- A. participates in the Cafeteria Plan and an Employer-sponsored high deductible health plan that meets the requirements of Section 223; and
- B. has elected the Health Savings Account Premium Payment Benefit as described in Article IV of the Cafeteria Plan.

ARTICLE IV

HEALTH SAVINGS ACCOUNT BENEFIT

4.1 Contributions for Cost of Coverage for HSA/Maximum Limits

The annual contribution for a Covered Employee's Health Savings Account is equal to the annual benefit amount elected by the Health Savings Account, but in no event shall the amount elected exceed the statutory maximum amount for HSA contributions applicable to the Covered Employee's high-deductible health plan coverage option (i.e., single or family) for the calendar year in which the contribution is made. An additional catch-up contribution of up to \$1,000 may be made for Covered Employees who are age 55 or older as of the end of the taxable year.

In addition, the maximum annual contribution shall be:

- A. reduced by any Employer contribution made on the Covered Employee's behalf; and
- B. prorated for the number of months in which the Covered Employee is an HSA-eligible individual, unless the Covered Employee chooses to use the full-year contribution rule described in Section 223(b)(8).

Because HSAs are individual accounts, complying with the maximum annual contribution is the responsibility of the Covered Employee.

4.2 Recording Contributions for HSA

As described in Article I, the HSA is not an employer-sponsored employee benefit plan—it is an individual trust or custodial account separately established and maintained by a trustee/custodian outside the Plan. Consequently, the HSA trustee/custodian, not the Employer, will establish and maintain the HSA. The HSA trustee/custodian will be chosen by the Participant, not by the Employer. The Employer may, however, limit the HSA provider to whom it will forward Employer contributions and contributions that the Participant makes via Salary Reduction Agreement.

The Plan Administrator will maintain records to track HSA contributions a Covered Employee makes pursuant to the Salary Reduction Agreement, but it will not create a separate fund or otherwise segregate assets for this purpose. The Company has no authority or control over the funds deposited in an HSA.

4.3 Tax Treatment of HSA Contributions and Distributions

The federal income tax treatment of the HSA (including contributions and distributions) is governed by Code Section 223.
